RE: Summer Work Experience Help Sessions

The following sessions have been scheduled to assist you with your job search and applications for summer work experiences. You should bring specific questions with you to the help sessions. Updates to this list will be posted on the work experience section of the Office of Academic Affairs bulletin board 1st floor of new addition, the undergraduate program website at http://nursing.unc.edu/departments/programs/undergrad/summer_experience.html and on email. Please check periodically for updates.
