Pay Checks
Faculty, EPA non-faculty, Research Assistants (RA), and Teaching Assistants (TA) (RA/TA are defined as currently enrolled students at UNC) are paid monthly. Staff and temporaries are paid bi-weekly. Please check with your department for information on how your work unit distributes checks. All employees are required to have Direct Deposit. Those forms are available under Mandatory Forms/Direct Deposit Authorization Form on the SON EPA orientation website at [http://nursing.unc.edu/faculty/fac_orient/EPA/](http://nursing.unc.edu/faculty/fac_orient/EPA/).

Parking
Parking applications are completed the end of spring semester (May) for the coming academic year (Aug 15-Aug 14). Employees hired after the spring semester should see the Parking Coordinator (Charlene Alston) for parking applications and general information. To view the SON Parking policy look under Mandatory Forms/Parking (for permanent employees only) on the SON EPA orientation website at [http://nursing.unc.edu/faculty/fac_orient/EPA/](http://nursing.unc.edu/faculty/fac_orient/EPA/).

Special Parking
Visitor parking permits are available for University guests. These permits should be reserved through Charlene Alston at least 24 hours in advance and must be returned at the time the visitor leaves and no later 5 p.m. If permit is needed past 5 p.m., then it should be returned by 8 a.m. the following morning.

One 2-hour service permit is available for University employees which does not require a valid parking permit to allow access to parking at other campus departments.

Room Reservations
At the beginning of each semester, Student Services reserves and schedules all classrooms needed for the coming semester. No rooms will be released until classes are scheduled. Whenever possible, space for seminars is also reserved. Once classes have been covered, then rooms are released for general scheduling by contacting Charlene Alston (966-9943) or sending an email request to sonrooms@unc.edu. We ask that all requests be made at least 24 hours in advance. Rooms that have been reserved and are no longer needed should be released by notifying Charlene Alston as soon as possible.

Requests for AV equipment should be directed to the school’s Information and Instructional Technology office, contact Scott Berrier at 966-7248 or pager#216-2434. His office is located in 427 Carrington Hall.

Keys
Outside door keys are no longer needed. Sam Deal gives access to the building after hours using your ONE card. To access Carrington Hall after hours please use your ONE card. Office keys are usually available upon request by contacting the Facilities Coordinator in Room 103 or by email at sdeal@email.unc.edu.
