Stand Up and Lead for a Healthier Tomorrow!

Sponsored by: Careers Beyond the Bedside (CaBB)

**NURSING in the 21st CENTURY**

**Wednesday, September 10, 2014 • 3:30-5:00 pm**
UNC Student Union (Room 3203)

**Thursday, September 11, 2014 • 5:00-6:30 pm**
Carrington Hall (Room 208)

This seminar will include the following topics for pre-nursing and current nursing students:

- What is the difference between nursing and other health professions?
- How do you communicate your interest in nursing, and what nursing encompasses to others who may be less informed?
- What is the CaBB program? How can the CaBB program help you in your quest for a nursing career?
- What is nursing?

This session is most appropriate for students considering nursing as a career path, and/or current nursing students who are not familiar with the CaBB program; however, all students involved in the CaBB program are encouraged to attend to share your stories with those considering the field of nursing. The session will incorporate real life stories and a review of the IOM report highlighting the role of nursing in healthcare reform efforts to educate and inspire students about the field of nursing.

The CaBB project (Careers Beyond the Bedside) is a federally funded grant (HRSA Grant# D19HP24298) to increase diversity in the nursing workforce. The program targets students currently underrepresented in the nursing profession. This program seeks students from economically or educationally disadvantaged backgrounds, and/or historically underrepresented ethnic minority groups, “first-generation” college students, or students who currently reside in a medically under-served geographic area. Many of the benefits of the CaBB project are open to any pre-nursing/nursing student.
