Proposed Awards for Multicultural Efforts in the School of Nursing:

The Pauline W. Brown Diversity Scholarship Award

**Description:** The University of North Carolina at Chapel Hill School of Nursing will confer an award upon one student whose course work examines its subject using the lenses of race/ethnicity, class, gender, sexuality, and culture to analyze work in any discipline, or focuses on the contribution of women and men of all colors to society, history, culture, or thought in any area of study. Interdisciplinary approaches (that is, employing resources and perspectives from a variety of disciplines) and work that seeks to understand or explore its subject with the clear assumption of the interrelatedness, even inseparability, of race/ethnicity, class, gender, sexuality, and culture are particularly encouraged.

**Who is eligible?** Undergraduate and graduate students enrolled in the University of North Carolina @ Chapel Hill School of Nursing are eligible to submit work that has been completed during and for a course of study. Students may submit their work directly, or their work may be nominated by any faculty or staff member. Past winners are not eligible for future competition.

**What may be submitted?** Research papers, essays (academic, clinical and personal), and other written work from all courses may be submitted. Poetry, visual arts, architectural plans, computer programs, and statistical or laboratory work should be accompanied by an interpretive essay. Work in languages other than English is acceptable but must be accompanied by an English translation. Students are not limited to one entry. It is essential that submission guidelines be followed exactly.

**Where to submit?** Entries and required forms should be submitted to:

Office of Multicultural Affairs
1810 Carrington Hall, CB # 7460
UNC-CH School of Nursing
Chapel Hill, NC  27599

**When to Submit?** Entries may be submitted at any time throughout the year; however, all entries must be submitted by **April 06, 2015**.

For more information and/or submission guidelines, please call the OMA office at **919-966-7767**, email the office at rumay@email.unc.edu, or print out pages from the OMA website at [http://nursing.unc.edu/office-of-multicultural-affairs/awards/](http://nursing.unc.edu/office-of-multicultural-affairs/awards/).
Submission Guidelines: Please read and follow carefully. Incomplete submissions cannot be forwarded to judges.

1. Complete the Information Page.

2. Complete the Cover sheet.

3. Prepare an abstract on a separate sheet of plain paper. An abstract provides a brief (no more than one page) summary/overview of your work. Be sure to emphasize the multicultural aspects of your submission. Include no references to your name or instructor. Creative and non-print submissions require instead an interpretive mini-essay (no longer than one page) that discusses motivation, purpose and multicultural elements. Submissions in languages other than English must be accompanied by an English translation.

4. Print or type (double spaced) your work on standard white bond paper. Again, be sure that neither your name nor your instructor's name appears on the pages of your work.

5. Submit five copies of your work, the Cover sheet, and the abstract. (A single copy of the Information Page is sufficient.)

6. Entries may be submitted at any time throughout the year and must be submitted by April 06th, of the academic school year.

7. Submissions are to be sent to: The Office of Multicultural Affairs, Room #1810, Carrington Hall.

8. If you have questions, call the OMA office at 919.966.7767 or email the office at rumay@email.unc.edu
