Nurse Practitioner

Position Available

in Illinois

Federally Qualified Community Health Center (FQHC) in rural Illinois is seeking a full-time Nurse Practitioner for our Oquawka and Stronghurst, Illinois locations. Eagle View Community Health System is a not-for-profit community health center serving all patients regardless of their ability to pay. Our organization has been providing quality medical and dental services since 1979. Eagle View Community Health System serves an area of three counties in west central Illinois on the banks of the Mississippi River.

As an FQHC, applicants have the potential for National Health Service Corp (NHSC) Student Loan Repayment. In addition to the potential for loan repayment, the following benefits are available: Competitive salary, generous vacation, holiday, sick, personal and CE time; $1,500 annually for continuing education, health benefits, retirement plan, licensure expenses, malpractice insurance, relocation expenses and Monday-Friday clinic hours.
