- **Nursing Elective* (3)

---

60 credits total

Notes:
* Students must take at least 3 credits of nursing elective(s). This may be satisfied by multiple courses that are each less than 3 credits. The elective(s) may occur in any semester, however students should be mindful that full time study in fall and spring is defined as at least 12 credits.

Credit Key: (# total credits : # lecture credits : # clinical credits)
