TRANSCRIPT SELF-EVALUATION FORM
SECOND DEGREE APPLICANTS

SCIENCE PREREQUISITES
*must have a grade of B- or better
**must have a grade of C or better

PSYC 101**
(Psychology)

STOR 151 or 155**
(Statistics)

BIOL 252/252L*
(Anatomy)

PHYI 292*
(Physiology or A&P2*)

MCRO 251*
(Microbiology*)

US Diversity or Global Issues 

PLEASE NOTE:

All applicants must have:

- a grade of B- or better in Anatomy, Physiology and Microbiology within five years of submitting an application.
- a grade of C or better in Statistics and Psychology within ten years of submitting an application.
- completed a full Anatomy and Physiology 1 and Anatomy and Physiology 2 sequence at the same institution, or a complete course in Anatomy and a complete course in Physiology.

Traditional BSN applicants must have:

- completed at least three of the science prerequisites by the time an application is submitted in December, and the remaining prerequisites must be completed before beginning the BSN program in May. That said, we strongly encourage you to have all science prerequisites completed prior to submitting your application.

To determine if your AP test scores are high enough for credit at UNC, please go to: admissions.unc.edu/Academic/Credit.
